To the families of Christ the King: December 18,2020

As we prepare for the Christmas holidays, I want to thank everyone for their commitment to Christ the King Catholic School. This year we experienced quite a few challenges the major one COVID-19. As a school we ensured that we did everything possible to ensure the safety of all students and yet continue with high standards of teaching and learning. We greatly appreciate and thank you for your cooperation and assistance in making our school proceed as close to normal under these abnormal circumstances. We will not have at-school COVID-19 testing on our return date January 4th but there are many things we are asking you to do to prevent us from having COVID-19 cases upon our return to school. As we prepare for the Christmas vacation, we are asking all families to monitor their family members for any cold-like symptoms. If anyone has mild symptoms there is a helpful tool online where you can fill those out and be advised you should immediately schedule a COVID test, seek medical care, or simply stay home. https://misymptomapp.state.mi.us/ This should be their regular practice every day from now until the end of the pandemic, or until most of us have been vaccinated. In addition, there are numerous no cost testing sites in the nearby area that you can schedule for appointments prior to school starting. You can book tests online at https://www.solvhealth.com/search?cobrandedSrpLocation=MI.Test results are typically turned around in 2-3 days, so if you make an appointment right around New Year's you would have the results back. Please remember that the test results only remain accurate if you are minimizing or eliminating contact outside the home in the days between the test and returning to school. If you are traveling or having families members from out of town visiting it is of extremely high importance that you follow this guidance.

When we return from Christmas break on January 4th, we will have a variety of new activities starting. Our after school tutoring program will start on January 4th and our art club will start on Monday the week of January 11th. In addition, we will have virtual and in-person parent meetings the third week of January. Our other programs we already have in place will continue. As always if you have any questions or concerns feel free to contact me. I am available by phone and email over the Christmas break.

Sincerely,

Ivan Branson
Principal
Christ the King Catholic School

At Christ the King Catholic School, we strive to love God, to serve our community, and to pursue academic excellence in the name of Jesus Christ.
